

How corruption is organized under entrenched leaders

FCPA enforcement actions (n=734, excl. Gabon FBI stings)

Leader tenure: consecutive years under same head of state (V-Dem v2exnamhos). Scheme year $\approx$ enforcement year – duration/2.

Error bars: 95% binomial CI. Correlation: point-biserial r with continuous tenure (* p<.05, ** p<.01, *** p<.001).

Political hierarchy = official commands/coerces participation (Karimova UZ, KazMunayGas KZ, Sonangol AO). Distinct from corporate hierarchy (CEO orders VP to pay bribe).
